We are available for Author and Author/Illustrator visits. Full details on an author visit are available in our Author Visit information packet. Understanding that schools at times have limited funds I have included a way for schools to get a free author visit.

An Author Visit includes the author coming to your school, library, scouting or other event, bringing at least 5 sculptures of the characters as well as a power point presentation that discusses the power of inspiration and introduces what inspired The World of Traegonia and the first two books in the series Traegonia the Sunbow Prophecy and Traegonia the Ember Rune. She will also share future books and plans for Traegonia, plus a Question & Answer session. A visit can be scheduled to include both the artist and illustrator at an additional cost. Please contact us for detailed information if you are interested in having both the author, Kim Krueger and the Artist/ Illustrator Dino C. Crisanti in for a visit. Additionally, we offer Activity Visits ranging from a Traegonia Scavenger Hunt, Inspiration to Creative Writing, and Introduction to Creating with Clay. Visits are tailored to the specific age group of the children/youth.

The standard Author Visit lasts between 50 minutes to 1 hour with pricing beginning at \$250.00. An additional fee applies for the Illustrator Visit. Pricing for the Activity Visit begin at \$350.00. Please view our Author Visit Information Packet for full details.

If you are interested in scheduling a visit or obtaining additional information please contact us at [traegonia@yahoo.com](mailto:traegonia@yahoo.com) or Kim at 815-919-0053.
